

COFFEE FRAPPE

Preparation : 5 min - **Resting :** - - **Cooking :** - - **Equipment :** -

Ingredients : 2

- 40 ml strong espresso coffee - 4 scoops coffee ice cream - 2 tbsp cane syrup - 100 ml single cream

1. Put the single cream in the freezer for 15 minutes. Meanwhile, brew your cup of espresso coffee and allow it to cool.

2. Place the cold coffee, cane syrup, cream and ice cream in the blender jug. Turn the selector to the "desserts" setting and process for 30-40 seconds.
