Food Processors

Invented by Magimix and manufactured entirely in France, the multifunction food processor has become an invaluable help for everyday cooking and special gourmet occasions.

Multifunction
- grating carrots or potatoes,
- slicing cucumbers or tomatoes,
- chopping meat, blending soups,
- whizzing up milkshakes,
- emulsifying sauces,
- kneading brioche, bread dough or shortcrust pastry,
- whipping cream or whisking egg whites.

Simple
- 3 bowls allow you to carry out several tasks in quick succession.
- 3 buttons to access all functions.
- Motor automatically adjusts its power for each task.
- Recipe book from starters to desserts.
- Accessory box for compact and safe storage.
- All accessories are dishwasher safe.

Robust
- Manufactured in France.
- Powerful and efficient, ultra-quiet induction motor with a 30 year guarantee.
- All parts and accessories are also made in France.

Choosing the right food processor to suit your needs
