# Food Processors

Invented by Magimix and manufactured entirely in France, the multifunction food processor has become an invaluable help for everyday cooking and special gourmet occasions.

## Multifunction

grating carrots or potatoes,  
slicing cucumbers or tomatoes,  
chopping meat, blending soups,  
whizzing up milkshakes,  
emulsifying sauces,  
kneading brioche, bread dough or shortcrust pastry, whipping cream or whisking egg whites.

## Simple

3 bowls allow you to carry out several tasks in quick succession.

3 buttons to access all functions.

Motor automatically adjusts its power for each task.

Recipe book from starters to desserts.

Accessory box for compact and safe storage.

All accessories are dishwasher safe.

## Robust

Manufactured in France.

Powerful and efficient, ultra-quiet induction motor with a 30 year guarantee.

All parts and accessories are also made in France.

Choosing the right food processor to suit your needs
